1. If any member has a complaint or a grievance against the Club, or member(s) of the Club, then a full statement of the complaint should be sent in writing to the [Club Secretary](#) and [Club President](#). If the complaint or grievance is a safeguarding issue or relates to a Junior, this must be sent directly to the [Club Welfare Officer](#) in addition to the Club President. If the complaint relates to the Club Secretary or President the complaint can be made to another Director.
2. They will appoint an independent Club member to act as a mediator between the parties.

3. If the mediator is unable to bring about a satisfactory settlement, the Secretary and President (or the other Director selected in step 1, if either are involved in the matter) will appoint an independent Investigatory Panel (Panel) of three members of the Management Committee or Directors (if the complaint is about a Director or Captain) who have no direct or indirect interest/involvement in the matter. If the Secretary and President consider the Management Committee and Directors are too close to those involved they may appoint a Club member to the Panel. One member of the Panel will investigate the complaint (the Investigating Officer) and another member will act as Chair.
4. The parties shall be given the opportunity to object (on reasonable grounds) to any of the members of the Panel within seven days of their appointment.
5. The Investigating Officer will notify any individual (and any other person as necessary) who is the subject of the Grievance (a 'Respondent') and provide them with a copy of the Grievance.
6. The Respondent will be asked to provide a statement and any relevant evidence and documents in response to the Grievance, which must be provided to the Investigating Officer within seven (7) days of the Respondent being provided with a copy of the Grievance. This may be extended at the discretion of the Investigating Officer for such period of time that the Investigating Officer (in consultation where appropriate with the Chair of the Panel) considers reasonable.
7. The Investigating Officer may carry out such further investigation into the Grievance as the Investigating Officer considers appropriate, which may include interviewing the Complainant and Respondent or other persons directly involved, and requesting and reviewing documents.
8. Unless the Panel determined a hearing unsuitable, the chair of the Panel shall arrange the date of the hearing and notify the parties of the arrangements at least fourteen (14) days in advance of the date set. The notified date shall not be changed unless one or more of the parties has a compelling reason for not being able to attend on the notified day or time. If a Junior is a party they shall only attend a hearing if they wish to and it is agreed by their parent/guardian and the chair of the Panel, they shall normally be accompanied by a parent/guardian/ suitable adult.
9. The evidence collected by the Investigating Officer will be review by the Panel and each party will have a reasonable opportunity to give and call evidence, including written, address the Panel and present their case. 10. The Panel shall have the power to reprimand, suspend or expel any member whose conduct, or that of their Guests, has been found to be prejudicial to the character or interests of the Club, in conflict with the Club Rules or the British Rowing's Regulations or Codes of Ethics & Behaviours or Conduct. The Panel shall come to a decision as soon as reasonably practicable after the hearing and if possible announce its findings and decisions orally to the parties. The chair of the Panel shall notify the parties and, if the Club was not a party to the dispute, the Club in writing of the findings and decisions within five days of the hearing.
11. The Complainant and/or Respondent(s) may appeal the Panel's decision within three weeks by writing to the Secretary (or another Director if the Secretary is involved in the complaint) stating the reason for appeal. The appeal will be referred to a second independent Panel (Appeal Panel) made up of up to three Directors (not involved in the Investigatory Panel or the grievance) to review the evidence, make further enquiries if necessary, and hold a further meeting with either or both parties if required. If the complaint is about a Director or Captain, in the event of an appeal, the Appeal Panel will include an external independent (i.e. a non-member of the Club) individual to act as Chair. The Chair of the Appeal Panel shall promptly notify the parties and, if the Club was not a party to the dispute, the Club in writing of the findings and decisions.
